Congratulations [@MrAndyNgo](#)

Finally had the time to read your important book

You're a brave man

@MrWinMarshall

Over the past few days I have come to better understand the pain caused by the book I endorsed. I have offended not only a lot of people I don't know, but also those closest to me, including my bandmates and for that I am truly sorry. As a result of my actions I am taking time away from the band to examine my blindspots.

For now, please know that I realise how my endorsements have the potential to be viewed as approvals of hateful, divisive behaviour. I apologise, as this was not at all my intention.
