- **Demi Lovato is non-binary and is changing pronouns to they/them, singer announces**

Non-binary people don't identify as male or female, and tend not to conform to gender norms of either.

"Today is a day I'm so happy to share more of my life with you all," Demi, who's 28, wrote on Twitter.

"I am proud to let you know that I identify as non-binary & will officially be changing my pronouns to they/them moving forward."

Demi said they came to understand their gender identity after spending time doing "healing and self-reflective work" over the past year.

Using they/them as pronouns "best represents the fluidity I feel in my gender expression", the Sorry (Not Sorry) singer added.

- **Transgender woman wins Florida mini-tour event, sets sights squarely on LPGA**

It was, by all accounts, an unforgettable day for Hailey Davidson. On May 13, Davidson drained a 5-footer for par on the 18th hole to win her first professional title, topping LPGA player Perrine Delacour in the process. That same day she also received an email from the USGA stating that she'd met the organization's Gender Policy eligibility criteria and can now compete in its championships. She hopes to soon hear similar news from the LPGA via a reciprocity agreement.

SEGMENT ONE

A GOP Civil War? Don't Bet On It

Excerpt 1

Among Democrats painfully aware of their tiny or non-existent margins in the House and Senate, the prospect of a divided Republican Party offers hope that this “civil war” will redound to Democrats’ advantage in 2022.

They shouldn’t be so sure.

First, beyond a few spats that make headlines, it’s getting harder to detect any serious division among rank-and-file Republicans.

(...)

Second, and more significant, history is littered with times that critics on the left, and in the pundit class, were positive the Republican Party was setting itself up for defeat by embracing its extremes ... only to watch the party comfortably surge into power.

Excerpt 2

This is not the conclusion you’ll reach if you follow much of the mainstream press. A New York Times story on Saturday about Trump’s hold on the GOP quoted former Rep. Barbara Comstock, former Sen. Jeff Flake, GOP consultant Sarah Longwell and Republican strategist Scott Reed, all warning of the political danger of a Trumpcentric party. These are estimable public figures, none of whom remotely speaks for the Republican base. For the past few weeks, much media attention was focused on Michael Wood, the 34-year-old veteran running for a Texas seat with a message that the Republican Party had to move away from Trump. He wound up finishing ninth, with 3 percent of the vote.

...A far better picture emerges when you consider the behavior at the grassroots. From one end of the country to the other, state and local Republicans have spoken with one voice.

...In state after state—Louisiana, North Carolina, South Carolina, Illinois, Kentucky, Nebraska, Michigan, Washington—local Republican parties are rallying around the ex-president, and censuring those who dare to critique him. If there is any counterweight to this mass impulse, if there are signs of any activity on the other side of this “civil war,” it is happening at a level so low as to be invisible.

Excerpt 3

What we’re seeing isn’t a civil war. It’s a purge, and there’s every reason to believe it will work.

SHENANIGANS & SKULDUGGERY

Woman forced Dogecoin millionaire to ejaculate inside her at gunpoint

Albuquerque, NM | Jenifer Garcia, a 25-year-old woman, allegedly forced a 21-year-old Tinder date to ejaculate inside of her vaginal cavity in hopes of conceiving.

A Tinder date that started as a simple hook-up ended up as sperm robbery after Tomas Martinez, a Dogecoin millionaire, showed Garcia his cryptocurrency wallet after engaging in sexual intercourse. Garcia then convinced Martinez to have unprotected sex with her, stating that the condom was irritating her skin. She told him to pull out if he is scared of getting her pregnant.

“I think she knows that I was going to pull out any second because she told me to slow down and then reached for a pistol under her mattress, point it to my head, and told me to cum inside her like God intended,” Tomas said he thought she was joking and until she showed her that the gun was loaded. She told him she wants his baby and called him Dogecoin Papi.

A terrified Tomas said he was so scared that it took him 10 minutes to ejaculate with the gun on his head. “I went to the police station right away after she let me go hoping they’ll at least make her take a Plan B or something. They held her for the night in custody, and I think their most significant concern was the gun, and apparently, they dropped all the charges because I was the one at her place.”

Whether she’s pregnant or not at this point, nobody knows at the moment. Tomas is hoping he will find a way of dodging the bullet if she had fallen pregnant on that day.

White Guy Becomes Black Bank Robber With Super Realistic Hollywood Mask

Last spring, a white Polish immigrant robbed several Ohio banks wearing a hyper-realistic Hollywood mask. To security cameras and witnesses, he looked like an undisguised black man. Which is why an innocent black guy was arrested for the crimes.

When Conrad Zdzierak called Hollywood mask-making company SPFXMasks inquiring about a mask of a young African American man called "The Player" and a matching set of black hands, he said he was doing the research as a movie producer. He was actually doing the research as a bank robber.

Recently, a Chinese man used one of SPFXMasks' products to sneak onto a plane disguised as an elderly white man, and Zdzierak's robberies are leading authorities to believe that Southern California's "Geezer Bandit," an elderly bank robber who has gone unapprehended for months, might not be so elderly after all.

‘Prolific’ prosthetic mask-wearing bandit busted in Beverly Hills

A black man who allegedly wore an elaborate Hollywood-style prosthetic white face mask to commit a slew of burglaries in and around Los Angeles has been arrested.

Rockim Prowell, 30, was nabbed by cops during a traffic stop in Beverly Hills last week, and caught with the open-mouthed mask — complete with hair — seen in surveillance images, police said.

Authorities also connected Prowell's car to the burglary spree, and found that its license plates were stolen.

A search warrant executed at his Inglewood home also turned up stolen property.

The “prolific” bandit is now facing two counts of burglary, two counts of grand theft, and one count of vandalism, according to police.

Investigators in Beverly Hills are working with police in Los Angeles and Newport Beach to connect Prowell to crimes in those nearby cities.

“We believe that the suspect is responsible for numerous residential burglaries within the Southern California area,” Beverly Hills Police said.
