## Eddie Gallagher says he and other Navy SEALs used a dying enemy fighter for medical practice with no intention of saving him

Retired Navy SEAL Eddie Gallagher, who was found not guilty of murder in a high-profile war-crimes trial nearly two years ago, said in a podcast that aired Tuesday that he and his team practiced various medical procedures on an enemy combatant until he died, with no intention of saving him.

Gallagher was charged with killing a severely wounded Islamic State prisoner in Iraq in 2017 by stabbing him in the neck, but he was acquitted in 2019. He was, however, convicted of posing for a photo with the enemy fighter's corpse and demoted.

After the trial, President Donald Trump restored Gallagher's rank and personally intervened when the Navy attempted to take away Gallagher's SEAL trident.

Gallagher recently told Dan Taberski, the host of the podcast "The Line," that "the grain of truth in the whole thing is that that ISIS fighter was killed by us and that nobody at that time had a problem with it."

"We killed that guy. Our intention was to kill him. Everybody was on board," he said. Asked about his statement that the intention was to kill the fighter, Gallagher said he and others intended to "do medical scenarios on him until he died."

"He was going to die regardless. We weren't taking any prisoners," Gallagher said. "That wasn't our job." He said that "everyone was like, let's just do medical treatments on him until he's gone."

## **White Guy Becomes Black Bank Robber With Super Realistic Hollywood Mask**

Last spring, a white Polish immigrant robbed several Ohio banks wearing a hyper-realistic Hollywood mask. To security cameras and witnesses, he looked like an undisguised black man. Which is why an innocent black guy was arrested for the crimes.

When Conrad Zdzierak called Hollywood mask-making company SPFXMasks inquiring about a mask of a young African American man called "The Player" and a matching set of black hands, he said he was doing the research as a movie producer. He was actually doing the research as a bank robber.

Recently, a Chinese man used one of SPFXMasks' products to sneak onto a plane disguised as an elderly white man, and Zdzierak's robberies are leading authorities to believe that Southern California's "Geezer Bandit," an elderly bank robber who has gone unapprehended for months, might not be so elderly after all.

## **‘Prolific’ prosthetic mask-wearing bandit busted in Beverly Hills**

A black man who allegedly wore an elaborate Hollywood-style prosthetic white face mask to commit a slew of burglaries in and around Los Angeles has been arrested.

Rockim Prowell, 30, was nabbed by cops during a traffic stop in Beverly Hills last week, and caught with the open-mouthed mask — complete with hair — seen in surveillance images, police said.

Authorities also connected Prowell's car to the burglary spree, and found that its license plates were stolen.

A search warrant executed at his Inglewood home also turned up stolen property.

The “prolific” bandit is now facing two counts of burglary, two counts of grand theft, and one count of vandalism, according to police.

Investigators in Beverly Hills are working with police in Los Angeles and Newport Beach to connect Prowell to crimes in those nearby cities.

“We believe that the suspect is responsible for numerous residential burglaries within the Southern California area,” Beverly Hills Police said.
