- **He Went to China to Play Basketball, Was Locked in Room for 8 Months**

American basketball player Jeff Harper went to China for a tournament last year hoping to get a playing contract. He ended up locked in a room for eight months, held in the country's nightmarish "residential surveillance in a designated location" system, the Wall Street Journal reports. Harper was detained in January and returned to the US after he was released without charge in September. He says he was detained after he saw a man assaulting a woman in Shenzhen and pushed the man away, reports the Des Moines Register. After months in detention, he was told the man had died after falling into a coma. Harper says during his months locked in the room, he lost 40 pounds and had no idea where he was—or even that there was a pandemic happening. He says the isolation was difficult but he tried to pass the time by exercising and praying.

The 33-year-old never appeared in court, but he was allowed visits from US consular officials after his girlfriend tracked the location of his phone. "They do their justice system totally different than we do ours," he tells the Journal. "I'm not a fan of it." But Harper appears to have experienced a relatively mild form of the RSDL system, also known as "black jails," reports the Australian Broadcasting Corporation. Other former detainees, including dissidents, human rights lawyers, and foreigners, say they were constantly watched and ordered to sit in silence at all times when they were not eating or being interrogated. Punishments for any breach of the rules included beatings, shacklings, and reduction of rations. Human rights group Safeguard Defenders, founded by Swedish former detainee Peter Dahlin, released a graphic report on the RSDL system of "state-sponsored kidnapping" Tuesday. Getting subtle messages from U.S. officials saying, in effect: "We're coming for you McAfee! We're going to kill yourself". I got a tattoo today just in case. If I suicide myself, I didn't. I was whackd. Check my right arm.

# SEGMENT TWO

## **Trans-Exclusionary Radical Feminist (TERF)**

Wikipedia:

*TERF is an acronym for trans-exclusionary radical feminist. First recorded in 2008, the term originally applied to the minority of feminists espousing sentiments that other feminists considered transphobic, such as the rejection of the assertion that trans women are women, the exclusion of trans women from women's spaces, and opposition to transgender rights legislation. The meaning has since expanded to refer more broadly to people with trans-exclusionary views who may have no involvement with radical feminism.*

## **White Guy Becomes Black Bank Robber With Super Realistic Hollywood Mask**

Last spring, a white Polish immigrant robbed several Ohio banks wearing a hyper-realistic Hollywood mask. To security cameras and witnesses, he looked like an undisguised black man. Which is why an innocent black guy was arrested for the crimes.

When Conrad Zdzierak called Hollywood mask-making company SPFXMasks inquiring about a mask of a young African American man called "The Player" and a matching set of black hands, he said he was doing the research as a movie producer. He was actually doing the research as a bank robber.

Recently, a Chinese man used one of SPFXMasks' products to sneak onto a plane disguised as an elderly white man, and Zdzierak's robberies are leading authorities to believe that Southern California's "Geezer Bandit," an elderly bank robber who has gone unapprehended for months, might not be so elderly after all.

## **'Prolific' prosthetic mask-wearing bandit busted in Beverly Hills**

A black man who allegedly wore an elaborate Hollywood-style prosthetic white face mask to commit a slew of burglaries in and around Los Angeles has been arrested.

Rockim Prowell, 30, was nabbed by cops during a traffic stop in Beverly Hills last week, and caught with the open-mouthed mask — complete with hair — seen in surveillance images, police said.

Authorities also connected Prowell's car to the burglary spree, and found that its license plates were stolen.

A search warrant executed at his Inglewood home also turned up stolen property.

The "prolific" bandit is now facing two counts of burglary, two counts of grand theft, and one count of vandalism, according to police.

Investigators in Beverly Hills are working with police in Los Angeles and Newport Beach to connect Prowell to crimes in those nearby cities.

"We believe that the suspect is responsible for numerous residential burglaries within the Southern California area," Beverly Hills Police said.
