POINTS OF INTEREST

Respond to feedback or briefly discuss points of interest that doesn't warrant a full segment. Try to keep each topic discussion 5 minutes or less.

- Joe's Key insights this week

1) I think Joe Biden is gonna sellout Taiwan and hand over world leadership to the Chinese by his cowardice (hope I'm wrong)

2) this Evergrande failure and subsequent economic collapse in China fall-out will be contrasted with the 2008 financial crisis and be used to suggest that the Chinese model is superior to the US model

3) Americans are a genocidal people

4) Donald Trump and Joe Biden's jobs were to introduce American Socialism over their two presidency's . Trump did it spending more than any president in history and (all that stimulus)

- LGTBQIA2S+ is an acronym for Lesbian, Gay, Bisexual, Transgender, Queer and/or Questioning, Intersex, Asexual, Two-Spirit, and the countless affirmative ways in which people choose to self-identify.
- Traditionally, Native American two-spirit people were male, female, and sometimes intersexed individuals who combined activities of both men and women with traits unique to their status as two-spirit people. In most tribes, they were considered neither men nor women; they occupied a distinct, alternative gender status. In tribes where two-spirit males and females were referred to with the same term, this status amounted to a third gender. In other cases, two-spirit females were referred to with a distinct term and, therefore, constituted a fourth gender. Although there were important variations in two-spirit roles across North America, they shared some common traits.

Suspected Texas high school gunman released on bail — one day after teacher and students shot

Timothy George Simpkins, 18, who attends Timberview High School in Arlington, will report to home confinement after he posted \$75,000 bond at Tarrant County Jail, news station WFAA reported.

Simpkins, who was wearing a blue baseball cap and graphic T-shirt, didn't answer questions from reporters as he was escorted from the jailhouse by two relatives into the back seat of a white Mercedes sedan.

As part of the conditions of his release, he will also have to submit to drug and alcohol testing and wear a GPS monitoring device.

Dave Chappelle Says He's Team TERF

The special, currently No. 4 on Netflix's U.S. top 10 list of the streamer's most popular titles, made its debut on Netflix on Tuesday and was immediately met with a wave of disapproval for several transphobic comments.

"Gender is a fact," Chappelle says during the special. "Every human being in this room, every human being on Earth, had to pass through the legs of a woman to be on Earth."

Chappelle also supported rapper DaBaby and Harry Potter author J.K. Rowling -- who have both been criticized for anti-gay and transphobic comments -- by identifying as "Team TERF," which stands for trans-exclusionary radical feminist, an ideology that excludes trans women as women.

What is the function of the court jester? Tell the truth. Sure, it makes us laugh too, but the laughter caused by the jester's ridiculous behavior is usually a poisoned apple. Dave Chappelle is a good court jester.

The comedian's new Netflix special "The Closer" is a panicked defense of controversial past jokes. The humor doesn't land. Neither does the justification.

Chappelle's rampant transphobia doesn't need to be a problem as long as the jokes land, but his obsession with grievances supersedes any pretense of crafting actual humor.

Birdwatching is Racist, Imperialist, and Homophobic

On September 27, 2021, David Sibley, a birdwatching celebrity, posted the following on his Facebook page. "The outdoors is for *everyone* and has felt unsafe to many LGBTQIA2S+ folks for too long ... Today, ask yourself 'What could I do better?'" Sibley "warned" that birders were liable to make "hurtful and dangerous comments" and that "sensitive" and "vulnerable" people should "avoid the comments section." LGBT people "struggle to feel and BE safe in the outdoors." Mind – Sibley was not condemning very real and reprehensible anti-LGBT violence. Sibley was specifically accusing birdwatchers of violence.

Follow-up comments from Sibley's fans were overtly accusatory of birdwatchers. One wrote, "Too many white cis/het (and male) people are so used to not having to think about anyone but themselves. It's part of the foundation of white/straight privilege. They don't have to think about race or gender, because it doesn't affect them every single day, like it does so many others ... I like my privilege, and I don't want to have to think about those who don't have it!" Another wrote, "LGBT+ people [are] threatened, attacked, even murdered" – by birdwatchers. And another, "Homophobia and the violence that flows from it is a well-documented scourge" – among birdwatchers.

HACKED!!!

I am sorry to inform you but your device was hacked.

That's what happened. I have used a Zero Click vulnerability with a special code to hack your device through a website.

A complicated software that requires precise skills that I possess.

This exploit works in a chain with a specially crafted unique code and such type of an attack goes undetected.

You only had to visit a website to be infected, and unfortunately for you it's that simple for me.

You were not targeted, but just became one of the many unlucky people who got hacked through that webpage.

All of this happened in August. So I've had enough time to collect the information.

I think you already know what is going to happen next.

For a couple of months my software was quietly collecting information about your habits, websites you visit, websearches, texts you send.

There is more to it, but I have listed just a few reasons for you to understand how serious this is.

To be clear, my software controlled your camera and microphone as well.

It was just about right timing to get you privacy violated. I have made a few pornhub worthy videos with you as a lead actor.

I've been waiting enough and have decided that it's time to put an end to this.

Here is my offer. Let's name this a "consulting fee" I need to get, so I can delete the media content I have been collecting.

Your privacy stays untouched, if I get the payment.

Otherwise, I will leak the most damaging content to your contacts and post it to a public website for perverts to view.

You and I understand how damaging this will be to you, it's not that much money to keep your privacy.

I don't care about you personally, that's why you can be sure that all files I have and software on your device will be deleted immediately after I receive the transfer.

I only care about getting paid.

My modest consulting fee is 1650 US Dollars to be transferred in Bitcoin. Exchange rate at the time of the transfer.

You need to send that amount to this wallet: 1EqsnpSgTN8iaeFJmJi4wEbyomQ8tTGQma

The fee is non negotiable, to be transferred within 2 business days.

Obviously do not try to ask for help from the law enforcement unless you want your privacy to be violated.

I will monitor your every move until I get paid. If you keep your end of the agreement, you wont hear from me ever again.

Take care and have a good day.
